

Day 2: Shifts in language – what are we teaching, and how?

Tips and techniques for working with emergent language by Richard Chinn and Danny Norrington-Davies

In this interactive talk Danny Norrington-Davies & Richard Chinn explored ways participants could develop their ability to notice and respond to emergent language in their classes.

Danny Norrington-Davies is a teacher and trainer at International House London. He has worked with teachers in Europe, Asia, Africa, the Middle East, and South America, and he regularly presents at conferences. Along with emergent language Danny's interests in ELT are creativity, classroom interaction, grammar teaching and materials development. His first book, *Teaching Grammar: From Rules to Reasons* was published by Pavilion Publishing in 2016.

Richard Chinn is an experienced teacher and teacher educator based in the UK. He works at International House London, where he trains teachers on initial and in-service teacher development courses; Richard is also a teaching associate at King's College London, where he works on MA and BA courses. His main professional interests are in classroom interaction, teacher education and teacher development.
